Job Description: Secondary Mathematics Teacher

This position is a full-time secondary-level teaching opportunity. As an employee of La Crescent Montessori & STEM School, teachers have the ability and the autonomy to make decisions that will have a real impact on the students' lives and academic careers. Teachers at LMSS also have the opportunity to serve on the school's Board of Directors.

Qualifications

Candidates will hold a Minnesota Teaching License in Mathematics. Preferred candidates will be Montessori certified. Candidates who are not currently Montessori certified must be willing to become certified within three years of hire with up to \$20,000 tuition reimbursement. Qualified candidates are self-motivated, not afraid to ask questions, honest, self-directed, timely, and innovative. This is a creative, hands-on position.

Institution Description

La Crescent Montessori & STEM School (LMSS) is a Pre-K through 12 charter school located in southeast Minnesota. Our small, family-like atmosphere encourages students to become lifelong learners. LMSS utilizes the Montessori philosophy with an emphasis on STEM subjects. While academia is certainly important, LMSS also recognizes the importance of developing the whole child, which includes their civic duties, their independence, their regard for themselves, others, and the environment, and their passion for future endeavors.

We are passionate about building and sustaining an inclusive and equitable environment for all members of our school community. We believe every member on our team enriches our diversity by exposing us to a broad range of ways to understand and engage with the world, identify challenges, and to discover, design, and deliver solutions.

Vision statement of LMSS

The vision of La Crescent Montessori & STEM School is to develop self-assured, lifelong learners who are compassionate, globally minded, and empowered to impact the world positively.

Mission statement of LMSS

The mission of La Crescent Montessori & STEM School is to prepare outstanding Montessori environments with integrated STEM education and rigorous academics, which foster independence, self-assurance, collaboration, and connections to the global community and provide experiences that promote curiosity, inquiry, and engagement. LMSS' approach is guided by the principles of AMS Montessori education.
